It provides guarantees, loans and insurance on behalf of the government that can protect UK exporters facing delayed payments or transit restrictions. UKEF can support through the following schemes:

[Export Working capital scheme](#) [Export Insurance Policy](#) [Direct Lending Scheme](#)

Mentoring Support for Businesses

Staffordshire Chambers of Commerce has experienced and local business mentors who are available to help and support any business impacted by the Coronavirus (COVID-19). Through our Let's Do Mentoring programme, our mentors could provide support and guidance on topics such as finance support, general business support, planning & risk management or business coaching, marketing, margins, cash management. This could be from a 30min conversation over the phone or virtual meeting, to more prolonged, long term support. If you would like to find out how a Mentor could help you during these difficult times, please contact ann.steele@staffordshirechambers.co.uk

Insurance Support

- **Business Interruption Insurance** - Insurance policies differ significantly, so businesses are encouraged to check the terms and conditions of their specific policy and contact their insurance providers. The FCA are seeking legal clarity on Business Interruption Insurance during Covid. Further information can be found - [FCA](#)
- **Trade Credit Insurance Guarantee** - Businesses with supply chains which rely on Trade Credit Insurance and who are experiencing difficulties maintaining cover due to Coronavirus will get support from the government. [TRADE INSURANCE](#)

Support for Business Crime.

- If you are facing any incidences of business crime, including online fraud, Staffordshire Chambers of Commerce currently offer a Business Crime Helpline number which can provide free, independent advice and support. We can also link you to a register of support organisations who are able to provide expert advice over the phone. You call this helpline on **01782 900239**.

New technology challenge to support people who are isolating

- Technology businesses in Stoke-on-Trent and Staffordshire are being urged to bid for a £500,000 funding scheme to provide digital support solutions for people who need to stay at home because of coronavirus.

The 'Techforce19' challenge aims to support those who need to stay at home for several weeks and need help. This could include people who need mental health support or who have social care needs. Funding of up to £25,000 per company is available – [TECHFORCE](#)

Support to Voluntary Organisations, Community Groups, Charities and Social Enterprises (VCS) in Staffordshire

- **VAST** have set up a website, in order to co-ordinate the response locally to ensure that everyone who needs help can receive it, and that everyone who is well and able to offer help to others, can do so – [VAST](#)
- **Covid19 Support Fund** - The support Fund has been set up to help to support communities to do their bit and to make sure that the voluntary sector continues to thrive now and after the crisis. Each county councillor has £2,500 to support community groups in their area to be resilient, safe and connected. No match funding is required – [SUPPORT FUND](#)
