About Jet

- The JET service was first established in 2009.
- Its aim is to support residents of the city to progress and improve their lives by supporting them to access opportunities, including training, upskilling and job opportunities.

Employability Services

- Jet Business
- Connect to Work
- Community Foundation
- King's Trust

What we have done so far

- Taking the service out to the community
- Arranged meet and greet with employers
- Provided bespoke employability training
- Ensure the person has everything they need for the interview stage

Future planning

- Continue to find employers who would be happy to provide more meet and greet opportunities
- Develop more networks to bring employers and services supporting care leavers closer together
