Responsible Business Forum – Group Discussion Activity

We're exploring four key themes to help shape next year's programme:

- **Commissioning & Procurement**
- **Social Impact Measuring**
- **Responsible Business Accelerator**
- **Opportunities for Young People**

Please split into four groups (one topic per group).

Spend around **30–35 minutes** discussing the questions below.

Nominate one person to **capture notes** and another to **share your feedback** with the wider group.
