

Staffordshire Chambers' of Commerce – Transport forum

'This forum is tasked with exchanging information on transport, infrastructure, automation and modernisation in transport, and road, sea, rail and aviation policy. Recent topics covered include M6 Smart Motorway project, HS2, automated vehicles, and electric vehicle charging points across Staffordshire. It also steers Chambers' representations on these matters and receives updates on national transport policy.

Date of meeting	Tuesday 12th May 2026
Venue	Staffs Chambers of Commerce
Number of attendees	7
Agenda topics	<p><u>Update from British Chambers of Commerce (BCC) –</u> An update on the importance of transport as a business issue and how policy is influenced at a national level, along with five BCC transport priorities.</p> <p>A50/A500 corridor – Discussions and agreement on course of action for future policy and lobbying work to support investment in this crucial corridor of both regional and national strategic importance.</p> <p>All slides are available on Transport forum webpage</p>
